\*\* You are encouraged to sit with people from different parishes to network. Following are possible questions to guide your conversations.

- Fr. Ace shared his stories of growing up in a culture that instills the act of service to others from within his family and extending to the community. Share how you have used/embedded storytelling in communicating your stewardship way of life.
- Share different/unique ideas that your parish uses in the area of Hospitality and Faith Formation?
- What does your parish do to promote the idea of a Stewardship Way of Life?

Don't forget to turn in your completed evaluation forms  
and place them in the box located in the lobby.
